GREEN COUNTY ATV CLUB

GREEN COUNTY ATV CLUB

The Green County ATV Club was established in 2003 to promote fun and safe ATV riding for your outdoor enjoyment, and to provide instruction and information so that all riders will respect our trail systems and all others that use the trails. Another one of our club goals is to help promote economic development in the City of Monroe, and all of the Green County Area, allowing riders to enjoy the beautiful scenery and local businesses, as the Cheese Country Trail is a premier riding experience in the Tri-State area.

We are located in Green County in the state line area in southern Wisconsin, on the east end of the Cheese Country Trail System. The trail is 48 miles long, on a scenic, groomed, abandoned rail bed, from Monroe to Mineral Point. In Lafayette County, just before Calamine, at the Y, you can continue on to Mineral Point or take the 10 mile trip to Belmont from the Cheese Country Trail system. Riders can, also, enjoy the many miles of road routes, exiting off the Cheese Country Trail system, in Lafayette County.

Our Club is working with the many communities in Green County, to establish routes to the local motels, fuel stations, restaurants, bar & grills, fast food places, ATV/UTV repair/parts, and other supplies. Monroe City routes leads to a large parking lot just one block South of the Historic Downtown Square, where you will find many more restaurants, bar & grills, a deli and confection shop with tasty ice cream and much more. You can continue on that City route to the Green County Fair Grounds for your camping enjoyment with a convenience store with fuel nearby.

Our club is responsible for maintaining 10 miles of the Eastern part of the Cheese Country Trail which is located in Green County, which includes trimming grass; brush, and trees, tree removal, placing of trail signs and grooming the trail bed. We offer an ATV safety course, in the spring of the year, to teach safety and DNR certify ATV riders, that were born after January 1, 1988.
